

death may be your santa claus

Secondhand

Yes, I've been dreaming about you every day
Every day, each and every day
And I've been thinking about you all night long
I even wrote a songJust to try and tell you how I really feel
To make you understand my love is real
That you're on my mind all the time
I wish to God, you were mine once againI remember talking to you
I remember walking with you
I remember laughing all the time
When you were mineNow the day seems so long
I can't face the night alone
I beg you, please
Won't you please come home?I remember talking to you
I remember walking with you
I remember laughing all the time
I remember singing to you
I remember dreaming with you
I remember loving, you were, were mineAnd now the day seems so long
I can't face the night all alone
I beg you please
Won't you please come home?
