

I'm Stepping Out

John Lennon & Yoko Ono

A-one, two, a-one, two, three, four! This here's a story about a house husband who, you know, just has to get out of the house. He's been lookin' at, you know, the kids for days and days. He's been washin' the dishes and screwin' around and watching... until he goes CRAZY! Woke up this morning, blues around my head

No need to ask the reason why

Went to the kitchen and lit a cigarette

Blew my worries to the sky I'm stepping out

I'm stepping out

I'm stepping out

I'm stepping out

If it don't feel right you don't have to do it

Just leave a message on the phone and tell them to screw it

After all is said and done you can't go pleasin' everyone

So screw it... I'm stepping out

I'm stepping out

I'm stepping out baby

I'm stepping out Baby's sleeping the cats have all been blessed

Ain't nothing doing on TV (summer repeats)

Put on my space suit I got to look my best

I'm going out to do the city I'm stepping out

I'm stepping out

I'm stepping out babe

I'm stepping out (boogie)

I'm stepping out (hold it down)

I'm stepping out

I'm stepping out

Gotta gotta gotta gotta get out

I'm stepping out babe

Just awhile

Ain't been out for days

Gotta do it tonight

Gimme a break, gimme a break, gotta get out!

Gotta get out

Just for a while

Just for the night

I'll be in before one... or two... or three... goodbye!
