

Bottle Pop

Starkillers, David Solano & Dmitry Ko

[Snoop Dogg]

Tip top, drip drop, bottle's pop,
Lips lock, hips rock, don't stop,
Big Snoop Dogg is back on the block
P.c.Disney shake that thing to this beat
Taste like brandi
Shape like landi
Sweet like candy candy candy

All them other models bottling
Like mamas bottle tasty
Put my bottle on them models ought to hate me

[Chorus]

When my bottle pop
When my bottle pop
When my bottle pop
When my bottle pop
(shake me)
When my bottle pop
When my bottle pop
When my bottle pop
When my bottle pop
(shake me)

Every girl dreams of putting herself in pearls
Wanna be the fast driver of a shiny car
But the good girls suddenly the bad girls
Just because they wanna be a movie star

[Chorus]

Every girl feels this world belongs to her
No matter who make her purr she's a super star
Now the worry is us my girl with curves
That'll make you smell the burn when her bottle pops

[Chorus]

[Snoop Dogg]

Pass the fifth I pass it back
Turn around lil' mama got ass in the back
See its a fact
A bottle of pop
If you shake it, then drop it like its hot
Time is money and money is time
And if you with me all your money is mine
Yup yup, do it to deaf
Is it true that you get wet?

[Chorus]

Your turning me on
Your shaking me up
(So don't you wanna take me)
Just because
I'm the chosen one
(Oh them models gonna hate me)

All them other models bottling
Like mamas bottle tasty
Put my bottle on them models ought to hate me

[Chorus]

When my bottle pop
(Shake me)

[Chorus]
