

Hey You Beautiful

[Olly Murs](#)

Hey you beautiful.
Hey you beautiful. Hey you beautiful, girl you knock me down
Haven't seen you before, try to feel you out
Die hard, disregard, coming out your mouth
But your body saying something else You say that you don't, don't
But I know you do, do
Playing hard to get, get,
Girl I'm onto you,
Telling me no, no,
You really mean yes, yes
Let yourself go, go
Why don't you confess? Whoa, I feel your body calling out to me
Don't deny this electricity
Know there's something dirty on your mind
You don't have to lie, no
You don't have to lie Whoa, oh, I know it,
Whoa, oh, you got it
Whoa, oh, sex is in your eyes
Whoa, oh, I know it,
Whoa, oh, you got it
Whoa, oh, sex is in your eyes OK, now I see you just love the chase
Lucky for you, my dear, that's my favourite game
Won't stop till I got you calling my name
You know you can't resist it baby You say that you don't, don't
But I know you do, do
Playing hard to get, get
Girl I'm onto you,
Telling me no, no,
You really mean yes, yes
Let yourself go,
Why don't you confess? Whoa, I feel your body calling out to me
Don't deny this electricity
Know there's something dirty on your mind
You don't have to lie, no
You don't have to lie Whoa, oh, I know it,
Whoa, oh, you got it
Whoa, oh, sex is in your eyes
Whoa, oh, I know it,
Whoa, oh, you got it

Whoa, oh, sex is in your eyesHey, sex is in your eyesHey you beautiful,
Hey you beautiful.
Hey you beautiful.Whoa, I feel your body calling out to me
Don't deny this electricity
Know there's something dirty on your mind
You don't have to lie, no
You don't have to lie.Whoa, oh, I know it.
Whoa, oh, you got it.
Whoa, oh, sex is in your eyes.
Whoa, oh, I know it.
