

# Wake Up Mr. West (feat. Bernie Mac)

Kanye West

I knew I was gonna see ya, I knew I was gonna see you again!  
I was gonna see you again  
Where your god damn book bag at?  
Always carryin' that lil' book bag  
Nobody want to see that  
God damn fourth grader  
Sit yo' ass down  
Now he want to play it again like he got something else to do  
You ain't got nothin' else to do  
You ain't doing nothing wit yo life Nothing with your life  
What do you think this is?  
You better look at me when I'm talkin' to you!  
You think this is easy don't you?  
You think this is promised  
Oh ain't nothin promised with you  
Look at my face, do I got a promise face?  
Does it look like promise you anything?  
Kanye!  
Nigga! Is you snorin' in my class?  
Wake up Mr. West! Mr. West
