Regina

The Sugarcubes

Came from the east,
Relative forgot,
To scrape away,
Land in south,
Exhausted engine,
No teeth,
No chance to stop,
Meet Johnny.

Came from the east,
Like the sun,
But with tired engine,
Regina otherwise magnificent,
Regina in good bloom,

Oh oh as old as the sun,
Oh oh with white teeth,
Oh oh Regina, oh oh Regina,
Oh oh Regina, oh oh Regina.

Land on islands,
Meet Johnny,
Examine my red,
Basalt cluster,
Bottomless dust, terrific sun,
And wetting quite nicely thank you,
I do say nicely,
I do mean that,
Actually.

Blow into the chastity belt
Regina, Regina,
Oh oh Regina, oh oh Regina,

Hex and bitch and,
Deserves lobster and fame,
Oh, Johnny,
Teeth and gums,
In my life,
Moon and sun,

In my life,
Lobster and shrimp,
In my life,
I don't really like lobster (like lobster).

Regina is too old
But the sun is much older
Still the sun with white teeth
But Mrs R. with none
Sun with false teeth
Give me lobster and fame.

I really don't like lobster!

Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
Oh oh Regina, oh oh Regina.
