

# This Love (Will Be Your Downfall) (Mille Remix)

[Ellie Goulding](#)

Who are we to be emotional  
Who are we to play with hearts  
And throw away it all  
Who are we to turn each others heads  
Who are we to find ourselves in other people's beds  
I don't like the way I never listen to myself  
I feel like I'm on fire, I'm too shy to cry for help  
I don't think you know me much at all This love is be and end all  
This love will be your downfall  
This love is be and end all  
This love will be your downfall  
I'm feeling down about this love Who are you to make me feel so good  
Who are we to tell ourselves that we're misunderstood  
Oh who am I to say I'm always yours  
Who am I to choose the boy that everyone adores  
Oh I don't see a reason why we can't just be apart  
Now we're falling on each other like we're always in the dark  
Oh I don't think you warned me much at all This love is be and end all  
This love will be your downfall  
This love is be and end all  
This love will be your downfall  
This love is be and end all  
This love will be your downfall This love is not what you want  
This heart will never be yours  
This love is be and end all  
This love will be your downfall This love is be and end all  
This love will be your downfall
