

# Breaking Inside

## Shinedown

I caught a chill and it's still frozen on my skin  
I think about why I'm alone by myself no one else to explain  
How far do I go no one knows  
If the end is so much better why don't we just live forever?  
Don't tell me I'm the last one in line  
Don't tell me I'm too late this time  
I don't wanna live to waste another day  
Underneath the shadow of mistakes I've made  
'Cuz I feel like I'm breaking inside  
I, I, I, I don't wanna fall and say I lost it all  
'Cuz maybe there's a part of me that hit the wall  
Leaving pieces of me behind  
And I feel like I'm breaking inside  
Out here nothing's clear  
Except the moment I decided to move on and I ignited  
Disappear into the fear  
You know there ain't no coming back when you're still carrying the past  
You can't erase, separate  
Cigarette in my hand, hope you all understand  
I won't be the last one in line  
I finally figured out what's mine

I don't wanna live to waste another day  
Underneath the shadow of mistakes I've made  
'Cuz I feel like I'm breaking inside  
I, I, I, I don't wanna fall and say I lost it all  
'Cuz maybe there's a part of me that hit the wall  
Leaving pieces of me behind, leaving pieces of me behind  
And I feel like I'm breaking inside  
I won't be the last one in line  
I finally figured out what's mine  
I don't wanna live to waste another day  
Underneath the shadow of mistakes I've made  
'Cuz I feel like I'm breaking inside  
I, I, I, I don't wanna fall and say I lost it all  
'Cuz maybe there's a part of me that hit the wall  
Leaving pieces of me behind, leaving pieces of me behind  
And I feel like I'm breaking inside  
And I feel like I'm breaking

And I feel like I'm breaking inside
