# Love to Be Hated

## Agnostic Front

Well, I know somebody somewhere is gonna love me
Well, I know somebody somewhere out there is gonna hate meWell I'm loved and I'm hated and loved and hated
And loved and hated and love, love, love to be hatedWell, I know somebody somewhere is gonna make me feel alright
Well, I know somebody somewhere is gonna piss me off tonight
Well, I know somebody somewhere is gonna, wanna fuck me
Well, I know somebody somewhere is gonna try to hurt me
