

# War of the Worlds

## Queen Dementia

Are you? Are you fakinâ€™?  
Are we? Are we fakinâ€™?

I donâ€™t want to lose it.  
I donâ€™t let it get me down.  
I refuse to succumb now.  
Itâ€™s alright â€™cause itâ€™s over now.  
Unto thy self be untrue.

Are you? Are you fakinâ€™?

No.

Insignificant  
No way

Inconsiderate  
Your way

Inconsequential  
Actions

Psychological  
Faction

Prepare my guns  
My mental fortress  
My worlds at war  
Pretender

Insignificant  
In no way

My magnificent  
Victory.
