

Poison Ivy

Billy Thorpe & The Aztecs

She comes on like a rose
But everybody knows She'll get you in touch
You can look but you'd better not touch
Late at night when your sleeping
Poison Ivy comes a creeping around
Poison Ivy, Poison Ivy
She's pretty as a daisy
But look out man she's crazy She'll really reel you in Measles makes you mumpy
If you let her get under your skin And mumps will make you lumpy
A common cold will fool ya
And chicken pox will make you jump and twitch (make you jump and twitch) And whooping coughs will cool ya
But poison ivy loves to make you itch
Your gonna need an ocean (gonna need an ocean) Of calamine lotion (oh, your gonna need it) You'll be
scratching like a hound (boy, you'll be itching) The minute you start to mess around
Late at night when your sleeping
Poison Ivy, Poison Ivy
Poison Ivy comes a creeping around
Late at night when your sleeping
Poison Ivy comes a creeping around
Poison Ivy, Poison Ivy
And mumps will make you lumpy
Measles makes you mumpy
And chicken pox will make you jump and twitch (make you jump and twitch) A common cold will fool ya
And whooping coughs will cool ya
But poison ivy loves to make you itch
Of calamine lotion (oh, your gonna need it) Your gonna need an ocean (gonna need an ocean) You'll be
scratching like a hound (boy, you'll be itching) The minute you start to mess around
Poison Ivy, Poison Ivy
Poison Ivy comes a creeping around
Late at night when your sleeping
