Advisory - the following lyrics contain explicit language:

Yeah, whassup?

RIP, shout out to my dead partners My nigga went crazy, he's trapped in a cell

He chopped off his fingers and sent them back in the mail

If life is a bitch, I'll pimp it just like a hoe

I make all my money from slangin' ounces of coke I shot up a bitch 'cuz she was fiend

She's spreadin' information, tryin' to run off with my ring

I'm livin' in fear, motherfuckers wanna jack when

A 187 nigga's best friend is a Mack 10 Niggas be rollin' up on me and loadin' the clip and say I'm slippin'

But I'm in a fucked up state of mind and I'm packin a nine and I'm not trippin'

'Cause I'm strapped, thinkin' about my nigga, took out in the game

RIP, plan B, Jessie was his name

So, rest in peace, peace my nigga RIP RIP, RIP, rest in peace to dead niggas on the wall

RIP, rest in peace to dead niggas on the wall

RIP, rest in peace to dead niggas on the wall

Yeah, whassup Clean? I ain't forgot about you homie

Johnny B whassup Clay?

I ain't forgot about you either

Hope y'all tear this thang knah I'm sayin'?

Big Dave, Jr, Six-O-Mobb, yeah When I was young, I had the lust to pull the trigger

So, I know how it feels to shoot another nigga

Take one of mine, I'll take ten of yours

You call up your posse, I'll call up my boys The funk, it was jumpin' but why should it jump?

Niggas with Uzi's and hella niggas with pumps

Ready to spray, do a nigga up proper

Did my boy in good, chopped him up with the chopper See some more from the North, Johnny B from the crew

Seen a nigga get blasted his bloody foot in his shoe

The bag, the body, the body, the bag

From forties to funerals, from chronic to zag's I'm rollin' up one for niggas that died

I go out to forty and hit the strip in my ride

And let down the top 'cause my top drop

Handle my glock, in case I gotta pop RIP, rest in peace to dead niggas on the wall

RIP, rest in peace to dead niggas on the wall

RIP, rest in peace to dead niggas on the wall  
YeahFool, whatta you know about my partners Mark Crowser ?  
Y'all know nothin' about Erick Ason  
Y'all know nothin' about Big Round Sink knahI'm sayin'?  
O.G.'s they got much love, Marcus RaineMy nigga had bomb, we called him Big Dave  
Six slugs in the chest put my boy in the grave  
I went to his house to get me a sack  
His brother stood on the porch and told me the factsStrange how it happened, he went out for a night  
Strange car drove up, that's when the pistols went pop
