

Pound Get a Blow

The Bleachers

A mi seh look deh now
Pound paper get a blow
See it deh now
Pound paper get a blow
Canada and America
Trying to help Jamaica
They gave us dollars and cents
to replace pound paper(2x)
Look deh now
Pound paper get a blow
See it deh now
Pound paper get a blow
We ???????? independently
And now we must use new currensy
And then to use new dollars and cents instead of pound paper
We are the nation with a big population
They gave us dollars and cents to replace pound paper.
