Picture in My Mind

Freakwater

Whiskey is not evil when it's sitting on a shelf
Whiskey is not evil when it's sitting on a shelf
I'm as sweet as I can be when I'm home all by myselfA shotgun never shot no one when it's hanging on the wall
A shotgun never shot no one when it's hanging on the wall
I got itchy fingers and you got knees to crawlI got a picture in my mind
Fighting like a mad fish on the wrong end of the line
Just beneath the surface silver lightning flashes shine
I've got a picture in my mindSalt water is no danger with your feet on solid ground
Salt water is no danger with your feet on solid ground
You can cry yourself a river, but it don't take much to drownI got a picture in my mind
Fighting like a mad fish on the wrong end of the line
Just beneath the surface I can see it clear somehow
Don't talk to me, darlin, can't you see I'm gone right now?
I got a picture in my mind
