

# Bludgeoned To Death (with Ricky Hoover)

## Suicide Silence

You're worthless, you plague humanity  
Be nothing without me  
Your curses try to get back at me  
But there is no timeBludgeonedYour curses with thoughts and narration  
This is what you get  
I made you smileAnd doctors won't be able to recognise your fucking face!Be, be nothing, be nothing without  
meHow could you think that I was joking  
But I'm not, be nothing, be strong, without me  
But still curses crumble as we let this happen  
We can't let this happen  
As we all come down  
We can'tBecause, because  
You abide by something funny  
What's funny now?  
You abide by something sacred  
You found it goneInside, inside, inside  
Your curses die  
Inside, inside, inside  
Your curses die
