

# Given Up

## Acoustic Hits

Waking in a sweat again  
Another day's been laid to waste  
In my disgraceStuck in my head again  
Feels like I'll never leave this place  
There's no escape  
I'm my own worst enemyI've given up  
I'm sick of feeling  
Is there nothing you can say?Take this all away  
I'm suffocating!  
Tell me what the fuck is  
Wrong with me?I don't know what to take  
Thought I was focused but I'm scared  
I'm not preparedI hyperventilate  
Looking for help somehow somewhere  
And no one cares  
I'm my own worst enemyI've given up  
I'm sick of feeling  
Is there nothing you can say?Take this all away  
I'm suffocating!  
Tell me what the fuck is  
Wrong with me?  
God!Put me out of my misery  
Put me out of my misery  
Put me out of my  
Put me out of my fucking misery!I've given up  
I'm sick of feeling  
Is there nothing you can say?Take this all away  
I'm suffocating!  
Tell me what the fuck is  
Wrong with me?
