

Milagro (Miracle)

Gloria Estefan, Kike Santander, Diana F. Serna, Ju

The slow tempo of this song combines a "cuban son" with a "vallenato paseo" creating a very sweet groove. The consists of an accorion and a flugelhorn as the cuban congas, bongas, maracas, and clave blissfully come together. This song is dedicated to our children and all the love we cherish in our hearts for them The lyrics speak of how the sweet, small things, such as the way they look at us, the sound of their voice, and their innocent laugh, their simple truths, and their charming presence bring a stream of deep and meaningful moments to our lives. They are the future of the world, the essence of the most and basic value of our society.

the home and the family, they are the miracle of our love. Cuando se miran sus ojos

When they look in your eyes Cuando se esucha su voz

When you hear their voice Es mas linda la ma? na

Its finer than the morning Nos alumbra mas el sol

Brighter than the sun Cuando nos brindan su risa

When they give you a smile Cuando nos dan su candor

When you see their innocence

Brota un manantial

It brings a stream De aqua fresquita en el coraz?

Of fresh water to the heart Ellos son el tesoro

They are a treasure Ellos sol la alegr?

These lights of happiness Es por ellos que la vida

We live for them Se vuelve m? dulce
