

# High

## Jimmie's Chicken Shack

What mood is that you wear this time?  
Why do you get high to change the seat you're in?  
In time you won't come back againWhat mood is that you wear this time?  
Why do you get high to change the seat you're in?  
In time you won't come back againHigh, high, high  
High, high, high, highMake light of the weight, time off from hell  
"I could be in", these are the words you sayWhat mood is that you wear this time?  
Why do you get high?  
To change my seat and complicate thingsHigh, high, high  
High, high, high, highWhat does it take to get you high?  
What will it take to get me high?  
What does it take to get us high?  
Whatever it takes to get youHigh, high, high  
You don't like me when I'm high  
High, high high, high high
