Legal

Buka

She's legal, tender and fine
She's not conceited but she knows she's a dime
She's legal, tender and fine
She picked my pocket but committed no crime
She's legal, tender and fine
She's not conceited but she knows she's a dime
She's legal, tender and fine
She picked my pocket but committed no crime
Let me tell ya a little story about this girl named Missy
She a born and she raised to keep dem [unverified] hungry
Body shape, hair cut like Halle Berry
Fool of the [unverified] that try to come tame this sassy
What she want is a [unverified] who can handle her right
All through the night, baller for life
Well I can smash it up and I can love it up
But only girl if you want to give it up
Can I get that? Can I hit that? Can I get that?
I want that, I'm with that
Can I kiss that? Wouldn't miss that
'Cause I know what you need, mama shake that
She's legal, tender and fine
She's not conceited but she knows she's a dime
She's legal, tender and fine
She picked my pocket but committed no crime
She's legal, tender and fine
She's not conceited but she knows she's a dime
She's legal, tender and fine
She picked my pocket but committed no crime
Here's another tale about this girl name Laura

So soon as she see Snow she wasn't spend me dollar
So we jump in da whip and headed to the crib
Then she started to express how she likes that informer

But as soon as Laura done me I'm gonna pay it up now

'Cause I know what you need, mama shake that

She's legal, tender and fine
She's not conceited but she knows she's a dime
She's legal, tender and fine

Can I get that? Can I hit that? Can I get that?
I want that, I'm with that

'Cause I know what you need, mama shake that
But they said I can't get like me
And the day maybe things all debree
Watch young young girl as she have oven party
