Uptown

Iration

Ya trying to rock it uptown
But i don't wanna come down
I'm Gonna try to pick it up now
Oh wellStay a little longer
Stare into the light
Let the sound hold you
Til the end of the nightAnd if you pour another drink for me
I'll be leaving you behind
One thing you gotta know now
I'm the wandering kindFeel it getting stronger
Building inside
Wanting it to crash through
Like a wavering tide
And the more you try to blink you'll be
Lost in your mind
Cuz if you're tryna rock uptown
I'll be letting you slide
