Lady

Styx

Lady when you're with me I'm smiling
Give me all your love
Your hands build me up when I'm sinking
Touch me and my troubles all fade
Lady from the moment I saw you standing all alone
You gave all the love that I needed
So shy like a child who had grown
You're my
Lady of the morning
Love shines in your eyes
Sparkling, clear and lovely
You're my lady

Lady turn me on when I'm lonely
show me all your charms
Evenings when you lay down beside me
Just take me gently into your arms
You're my.
Lady of the morning
Love shines in your eyes
Sparkling, clear and lovely
You're my lady
Lady of the morning
Love shines in your eyes
Sparkling, clear and lovely
You're my lady
