Taboo

Vince Kidd

(Taboo!)
Lay Down
Let Me Let you in my mind
Im a freak inside
Im like fire,
Imma burn you out(o-o-o-out)
Follow,
Follow me all the way home
CMon dont postpone
Take a breath.. lets get blown
(Taboo!)Youre already got a lover but its all cool
Well keep it undercover keep it old school
Ill rock you like no other
Forget the rules
Ill break every taboo,
Every taboo
The things Im gonna do to you
You mama would disapprove
The things Im gonna do with you
Ill break every taboo, every tabooIm not talking about being rough
Sometimes that just aint enough
Cmon loose it
Cmon loose your mind mind (m-m-m-m-mind)
We can, we can treat it like a game
We can even change our names
I can be pleasure
You can be pain pain pain pain
(Taboo!)Youre already got a lover but its all cool
Ill keep it undercover keep it old school
Ill rock you like no other
Forget the rules
Ill break every taboo,
Every taboo
The things Im gonna do to you
You mama would disapprove
The things Im gonna do with you
Ill break every taboo, every tabooYou remind me of Rihanna
Alabama Slammer
Let me peel your clothes off

Like you are a banana
Gonna run this town
Gonna suck each
Other out
We gon break a big taboo
Until It breaks down (break down x2)Youre already got a lover but its all cool
Ill keep it undercover keep it old school
Ill rock you like no other
Forget the rules
Ill break every taboo,
Every taboo
The things Im gonna do to you
You mama would disapprove
The things Im gonna do with you
Ill break every taboo, every taboo
(Taboo!)
