

# Favours in the Beetroot Fields

## British Sea Power

Who's a little Caesar  
Taking all the world  
Who's a little Caesar  
Breaking all the records  
Who's a little Caesar  
Who's a little Caesar  
Who's a little Caesar  
Taking all the worldThe universe is a record  
Of everything you say and do  
Who's a little Caesar  
Who's a little Caesar  
The universe is a record  
Of everything you say and doThe north island isle is a mighty good isle  
The north island isle is a mighty good isle  
The north island isle?
