

Blur The Technicolor [Poker From Stud To Strip Mix

White Zombie

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna get it

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do

Falling down I am a psychoholic
Erratic and sure I cannot fail
Replay slow smooth and automatic
Go easy riding danger

Yeah, two guns west I ride an instamatic
Polaroid rat crucifixion nail
Antenna down cruising in the deep red
Mouth of a demon angel

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what gonna do

Straight to the top sadistic or anything
Acid eat the face of night, strip to the bone
Release me violate eye of God
A goddamn, right

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna get it

Yeah, falling down, I am a psychoholic
Erratic and sure I cannot fail
Sit them there and sink into the deep red
E-Z riding danger

Shadow play, I blur the technicolor
Keep 'em running-go-demolition way
Going down deep into a hole

Called love of a demon angel

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do

Yeah, falling down, I am a psychoholic
Erratic and sure I cannot fail
Sit them there and sink into the deep red
E-Z riding danger

Shadow play, I blur the technicolor
Keep 'em running-go-demolition way
Going down deep into a hole
Called love of a demon angel

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna give

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna give
