

Right Where I Belong

Alex Goot

I was lost, but now I see
Just let it the rain on me
I'm right where I belong And the truth will set you free
It's too bad I don't believe
I'm right where I belong I think I've fallen and I can't get up
No I can't up this time So I'm head back to the city of angels
My life was plain and simple
And my flag is up, I surrender
We're here, the plane is landing
I'm right where I belong I wanna go where nobody knows me
And burn up in a blaze of glory
And my flag is up, I surrender
We're here, the plane has landed
And I'm right where I belong I'm right where I belong Too many days, I kinda tripped here
But now I'm getting up
I'm right where I belong And I'm letting go (Yeah, I gotta surrender)
I'm doing my best, but it's not good enough
I'm right where I belong 'Cause I have finally fallen and I can't get up
No I can't up this time So I'm headed back to the city of Angels
My life was plain and simple
And my flag is up, I surrender
We're here the plane is landing
I'm right where I belong
I wanna go where nobody knows me
And burn up in a blaze of glory
And my flag is up, I surrender
We're here, the plane has landed
And I'm right where I belong (I surrender, I surrender, I surrender)
I'm right where I belong
(I surrender, I surrender, I surrender)
And I'm right where I belong
