

Perfect Love (Radio Version)

Simply Red

Your perfect love
Your perfect love Oh, boy, what a fight
We fought and the thing is
We were both right
Okay, I'm crazy but maybe Quiero tenerte
Quisiera odiarte
Quiero besarte
Quiero olvidarte Both of us, what a sight
In the morning screaming
Believing it could be so right
Cause you know that you're mine, baby Yes, you are
Still you're in my dreams
Not constantly
Not constantly Your perfect love
Your perfect love
Your perfect love
Your perfect love Through the day and the night
Dreaming of you, baby
Here with a love that feels so right
I know it's hazy but maybe Yo quiero amarte
Quiero olvidarte
Debi sacarte
Pero no puedo But believe me enough
To be eternally, eternally Your perfect love
Your perfect love
Your perfect love
Your perfect love Your perfect love
Your perfect love
Your perfect love
Your perfect love Your perfect love
Your perfect love
Your perfect love
