

I Choose You (Prod. By Stargate)

Mario

Heh, you know
Someone loses someone they love everyday
And I'm fortunate to still have you in my life
Cause I know I made some mistakes in the past but
I'm tired of making excuses
ListenFor whatever might have been
And all that it never was
Whatever I couldn't see
And all that I didn't wantThere was a method to my madness girl
That wasn't clear to me
Until the day I saw your face
When I saw everythingFor I saw us dancing through sunshine and rain
And I saw us laughing through joy and through pain
And I saw time passing but we did not change
And I still saw us together at the end of every dayWhenever you want it
Whenever you need it
Whatever you feel like, it's gon' be like
You better believe it
Whenever you feel like dancing
You don't have to dance alone, no
You know, you know, you know
You should already know
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose youI felt you inside myself
Before I could even feel
I knew you like no one else
But still I couldn't tell, Oh
Girl, none of it made sense to me
Girl, none of it was real
Until the day I saw your face
And it was clear to seeWhenever you want it (Whenever you want it)
Whenever you need it (Whenever you need it, baby)
Whatever you feel like, it's gon' be like

You better believe it (You better believe it)
Whenever you feel like dancing
You don't have to dance alone, no (Oh, no)
You know, you know, you know
You should already know
I choose you (I choose you, baby)
I choose you (I choose you, girl)
I choose you
I choose you (You know that I choose you)
I choose you
I choose you
I choose you
I choose you Throughout our times, people have searched their lives
Hoping that they might find the chance where they can make things right
Through my desire, thank God I found the fire
Oh, for everything has led me straight to you (Youuuu) Whenever you want it
Whenever you need it (Baby)
Whatever you feel like, it's gon' be like
You better believe it (Oh, you better believe it)
Whenever you feel like dancing
You don't have to dance alone, no
You know, you know, you know
You should already know
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you (Yeah, oh baby darling)
I choose you (Said I'm choosing you) I choose you (Oh baby baby)
I choose you (Girl I made up my mind)
I choose you (And I choose you)
I choose you
I choose you
I choose you
I choose you
I choose you
