

# Detroit Waves

**Matt Nathanson**

So, we let it go to start again  
Knowing now how all our best intentions  
Never lit the world on fire  
Lights, illuminate the exit signs  
And over the wings the skies an open endless sea  
Crowding up surrounding me And all, Detroit waves  
Goodnight  
Spread out  
Beneath  
Me now  
If I could, if I could change  
Believe me  
I would, I would for you  
(My love) And when, you're warm enough to share your sheets  
Cold enough to make it seem that I was only there long enough to disappear  
You know I'll still, say your name to fall asleep  
Over and over a cynic saying rosary  
A liar living make believe And all, of Detroit waves  
Goodnight  
Spread out  
Beneath  
Me now  
If I could, if I could change  
Believe me  
I would, yes I would  
And Detroit waves
