## Rock Master Scott & the Dynamic Thr

Pick up the phone, call up the line  
Call up the request line  
Call up the line  
Call up the request line  
So call up the line  
Get down wit, down wit us  
This is a request Mr. Radio Man  
Just one desire from a hip-hop fan  
Hey DJ, you're on the line, girl  
Hey DJ, on the request line, girl  
Play a record by my favorite band  
I like to hear my favorite song on the radio  
So I called and requested on the radio  
Tell the DJ spin it on the mix show  
Make a brother feel like I'm down at the disco  
And we gonna keep it going like Crisco  
'Cuz the DJ grab the record by the fist full  
By the crate full, and we greatful  
When you hear the stuff of records get a tasteful  
Last night the DJ saved my life  
'Cuz of the collection of the records he saved  
To the direction of the record we swayed  
And all night through the session we stayed  
'Cuz you know you got the feeling, all right  
Good god got the feeling, all right  
Touch the ceiling when I'm feelin', all right now  
And I be feelin', all right  
Don't stop, keep it goin' now come on  
This is a request Mr. Radio Man  
Just one desire from a hip-hop fan

Hey DJ, on the request line, girl

Turn table, let's bless me on my stereo  
Play my favorite song on my stereo  
Like Macy Gray, Roots, and D'Angelo  
Mos Def, Les Nubian's, and De La Soul  
I like them cuts with the soul and original  
Never afraid to be creative on your radio

Spin my jam when I'm cruisin' down the barrio  
Turn my audio up, create a party yo  
Hey DJ would you play ma song  
And get ma rock get ma roll get ma hip-hop on  
And I'm dancin' all day, all night  
Gimme some inside, make me feel hot inside
