

# Tramazi Parti

## Black Grape

Yeah, we're having a Temazepam party Good evening!  
And welcome to the Temazepam party  
Just slide inside and help yourself  
We have a wide selection of downers  
For your love and enjoyment  
So sit down and gouch out  
At your own leisure Welcome to tramazi parti  
Just sit down and slide inside  
We'll get some go-go girls for the (?)  
If you call around you'll have me  
Just like you were Dirty Harry  
We'll fill up your carrier bags like a leg of lamb  
I've got my boots on my head  
It's full of jellies in the double bed  
And no-one knows what no-one said Welcome to your nightmare  
You can have it if you treat it right, yeah  
Welcome to your nightmare  
You can have it if you treat it right, yeah Tramazi!  
Yer spazzy!  
I'm loving the parti  
Passed round the eggs  
And forget everybody!  
Nobody knows what bignose said  
It's full of jellies inside his head  
Or something to that effect  
Look for the bodies under the gate  
Waheyhey, what did he say?  
I don't remember just not now  
Oh yeah, I've got my boots on my head  
It's full of jellies in the double bed  
And no-one knows what no-one said  
Welcome to your nightmare  
You can have it if you treat it right, yeah  
Welcome to your nightmare  
You can have it if you treat it right, yeah Trip trip nine  
Don't do the line (?)  
Watch the unkind  
Huffs and puffs  
Brother on the cuff

Needle's stuck!  
Funny little eggs  
Time makes no sense  
Suck up the dregs  
Vapour trails  
All in the air

I paid the fare I've got my boots on the back of my head

It's full of jellies in the double bed

And no-one knows what no-one said Welcome to your nightmare

You can have it if you treat it right, yeah

Welcome to your nightmare

You can have it if you treat it right, yeah Welcome to your nightmare

You can have it if you treat it right, yeah

Welcome to your nightmare

You can have it if you treat it right, yeah Oh yeah

Hey what ? Welcome to your nightmare

You can have it if you treat it right, yeah

Welcome to your nightmare

You can have it if you treat it right, yeah Welcome to your nightmare

You can have it if you treat it right, yeah

Welcome to your nightmare

You can have it if you treat it right, yeah...
