

Let Me Hold You

Bow Wow

This what you need to do girl
Let me hold you
I been watching you for a minute
Come through here so sweet centered
In life girl you need me in it
I'm determined to win it
I know what you need
I know what's wrong
I know how to make it tight
Everything will be all right
If ya
Let me hold you
And introduce you to my world
And introduce you to the better side of life that you ain't been seeing girl
Ima show you where its at
And ima show you how to get it
All you got do is be wit it and
Let me hold you
Down like a real mans supposed to
I never would have approached you
If I ain't have intentions on doing good
See dude you wit is so fooled
To me girl your so cool
And all I'm asking you to do is
Let me hold you
Down like a best friend and two homies in the game
When you cry I want to feel your pain
No secrets , no games
All excitement , nothing plain
Keep you happy
That's my aim
And all you gotta do girl is
Let me hold you
In my arms in my mind all the time
I want to keep you right by my side till I die
I'm gonna hold you down and make sure everything is right wit you
You can never go wrong if you
Let me hold you
Down like a real friends supposed to
I'm trying to show you the life of somebody like you should be living
Ooh baby baby

You could never go wrong if you let me hold you Ima keep you up on what's popping and shake you fresh to

death

When we hit the mall we can ball till there's no more left

I know you ain't used to it but you gon get used to it

Cause that's the only way I'm a do you and just

All my homies think I'm tripping cause I got you a pad

See they just mad cause they ain't get you

They ain't get you

Scorpio is your sign and girl your so fine

And I would do whatever in no time

Let me hold you

No shine

Its what your coming with but Ima change all that

Rearrange that

Put you in the range all black

With the rims to match

Phone attached

TVs in the back

How you gon say no to that? Huh

Let me hold you

Niggas look at me like now here you go

Really bout to blow some doe

But ain't nobody did it before so why is you so go hold it

Cause I believe this was meant to be

I just gotta work at it

Like a crack attic up in rehab In my arms in my mind all the time

I want to keep you right by my side till I die

I'm gonna hold you down and make sure everything is right wit you

You can never go wrong if you

Let me hold you

Down like a real friends supposed to

I'm trying to show you the life of somebody like you should be living

Ooh baby baby

You could never go wrong if you let me hold you Down down around

Atlanta lanta

Fah found

And everybody know now what I'm tryna do

I say

Down down around

Atlanta lanta

Fah found

I'm just tryna get you to

Let me hold you Down down around

Atlanta lanta

Fah found

And everybody know now what I'm tryna do
I say
Down down around
Atlanta lanta
Fah found
I'm just tryna get you to
Let me hold you In my arms in my mind all the time
I want to keep you right by my side till I die
I'm gonna hold you down and make sure everything is right wit you
You can never go wrong if you
Let me hold you
Down like a real friends supposed to
I'm trying to show you the life of somebody like you should be living
Ooh baby baby
You could never go wrong if you let me hold you
