

Goin' Out of My Head

Queen Latifah

Well I think I'm going out of my head
Yes I think I'm going out of my head over you, over you
I want you to want me I need you so badly
I cant think of anything but you yeah
And I think I'm going out of my head
'Cause I cant explain these tears that I shed
Baby over you over you
I see you each morning
But you just walk past me
You don't even notice I exist
Going out of my head over you baby
Out of my head over you darlin' been out of my head oh baby
I must think of a way into your heart
There's no reason why
My being shy should keep us apart
Yeah oh, shoobop shoobop baby
Shoobop Shoobop my love
I see you each morning
But you just walk past me
You don't even notice that I exist
Going out of my head over you darlin'
Out of my head over you
Out of my head
I'm going going going going going
Girl Girl Yeah
I'm Going going going going going
Comon
Give me give me your loving
Comon
Give me give me your lovin' comon
Give me give me a little lovin'
