

It's Over

[Tynisha Keli](#)

Didnt wanna live without you, I died everyday without you
Over and over I kept playin it back and forth inside my head
The day that we walked without tryna even work it out
So many things I wanna say to you but I'm glad its over now Thought itd be impossible but somehow I let it go
You held me (down) for too long
I finally got the weight off of meIts over, I'm thankful there are no more sleepless nights
Its over, I'm done cryin I'm waving heartache goodbye
And I know what lies ahead, but rest assured that imma be alright
Its over no denyin, no lyin to myself that its overI'm a whole lot stronger now
It was hard but it all worked out
I got it together, even though no one ever
Thought I'd ever make it out
Now I'm on top of the world, after all the time i spent hurt
In pain in agony, I loved you, but I loved me more to leaveThought itd be possible but somehow I let it go
You held me (down) for too long
I finally got the weight off of meIts over, I'm thankful there are no more sleepless nights
Its over, I'm done cryin I'm waving heartache goodbye
And I know what lies ahead, but rest assured that imma be alright
Its over no denyin, no lyin to myself that its overI wish you had what it takes to be with a chick like me
But your good qualities were decievin'
Yea you really kept me believin'
That you loved me, and you couldn't live without me
But I'm smarter then and i see, what's right in front of me
Now I'm gone and I'm walkin awayyyIts over, I'm thankful there are no more sleepless nights
Its over, I'm done cryin I'm waving heartache goodbye
And I know what lies ahead, but rest assured that Imma be alright
Its over no denyin, no lyin to myself that..Its over, I'm thankful there are no more sleepless nights
Its over, I'm done cryin I'm waving heartache goodbye
And I know what lies ahead, but rest assured that Imma be alright
Its over no denyin, no lyin to myself that it's over
