

# My Colouring Book

[Agnetha Fältskog](#)

For those who fancy colouring books and lots of people do

Here's a new one for you

A most unusual colouring book, the kind you'll never see

Crayons ready? Very well, begin to color me These are the eyes that watched him as he walked away

Color them gray

This is the heart that thought he would always be true

Color it blue These are the arms that held him and touched him

Lost him somehow, color them empty now

These are the beads I wore until she came between

Color them green This is the room that I sleep in and walk in

And weep in and hide in that nobody, nobody's seen

Oh, color it lonely, please

This is the man whose love I depended upon

Color him gone
