

Jesus, Light Of The World

Third Day

The most beautiful night of the year
All the stars light up the sky
And the city is sparkling with silver and gold
From a million points of light A reflection of something that's deeper within
Just a flicker of something more Jesus, Light of the world
Shine through the darkness, bright as the day
Jesus, Light of the world
Shine in our hearts, show us the way tonight Who is this Child in a manger?
Kings bow down and angels sing
The Lord of the Universe
Has come here to save us, a precious offering All the heavens above and the earth below
Are filled with the light of Your love Jesus, Light of the world
Shine through the darkness, bright as the day
Jesus, Light of the world
Shine in our hearts, show us the way tonight Jesus, Light of the world
Shine through the darkness, bright as the day
Jesus, Light of the world
Shine in our hearts, show us the way Jesus, shine, shine
Show us the way, light of the world
Shine in our hearts, show us the way tonight
Ohh, show us the way tonight
Show us the way tonight
