

Knockin' Da Boots

Yeah, we doin' this one for all da ladies, ha, H-town boys

Kickin' it with my boy Luc

Fo da 93 you know what I'm sayin'?

Cause we will be knockin' da boots

They gon do something a lil' sexy like you know what I'm sayin'?

Yo, check da verse A late night, I thought to back to when we made good love

Listening to some Marvin Gaye all night long

But I want that whole thing back

Make these moments once again go right

So won'tcha, so won'tcha, do it for us babe Good loving body rockin knockin' boots all night long, yeah

Making love until were tired, till the break of dawn, oh come on

Oh come on and turn the lights down and let me get on it yeah

'Cause when I do just me and you, itll be so right Give me some good love

(Some body rockin', knockin' da boots)

Give me some good love

(Some body rockin', knockin' da boots)

Some body rockin' baby, Give me some good love

(Some body rockin', knockin' da boots)

Thats all I need, I need

Give me some good love

(Some body rockin', knockin' da boots) I feel so good when Im near you

Thats why I always wanna be close to you

I'm so addicted, I'm so addicted to making love to you baby

All night long baby, all night long long long Good loving body rockin knockin' boots all night long, oh oh

Making love until were tired, till the break of dawn, ohh come on

Oh come on and turn the lights down and let me get on it, oh

'Cause when I do just me and you, it'll be so right so right so right Give me some good love

(Some body rockin', knockin' da boots)

(Some body rockin', knockin' da boots) Give me some good love

(Some body rockin', knockin' da boots)

(Some body rockin', knockin' da boots)

Giving you mounts of pleasure 'cause I'm ready

(Some body rockin', knockin' da boots) I'm so ready, I'm so ready baby
