All You Have to Offer

Kurt Nilsen

Hey!
What is it with you today?
You know you shine
You know you glow
Don't drag yourself downJust listen
To what I have to say
If not tomorrow
You'll soon be on your wayIf this is all you have to offer
I think I'll pass
If this is all you have to show for
You'll never last
Hey.What if you put old things aside
And say heeey.
It's time to give self pitty goodbye.
Cause it feels good
Just knowing you're okay
And not til bodyIf this is all you have to offer
I think I'll pass
If this is all you have to show for
You'll never last
Hey.But hey!
I think you need to come down
Seems your mouth got it's own mind
Or maybe it's just meCause I love you
But you're ruening my smile
You're like of sad songs
That I've been playing for a whileIf this is all you have to offer
I think I'll pass
If this is all you have to show for
You'll never last
Hey.
