

Malibu Nights (feat. Victoria Monet)

Eric Bellinger

Crashing waves, waves crashing
Crashing waves, waves crashing
Crashing waves, waves crashing
Do you feel the breeze in the air?
Do you feel the wind through your hair?
Oh no, wait, that's just my hands
Tempting your legs to expand
Do you see the stars in the sky?
Do you see the way that they shine?
Oh no, wait, that's just your eyes
Why am I acting surprised?
Something 'bout those Malibu nights
There's something 'bout those Malibu nights
Got me wondering if I could swim in your ocean, girl
Silhouette of your hips got me thinking 'bout stroking, girl
Malibu nights
Nights in Malibu
Malibu nights, Malibu nights
Crashing waves, waves crashing
Malibu nights
Nights in Malibu
Malibu nights, Malibu nights
Crashing waves, waves crashing
Waves, waves crashing
Waves, waves crashing
Waves
Malibu nights, Malibu nights
Crashing waves, waves crashing
Crashing waves, waves crashing
Crashing waves, waves crashing
Crashing waves, waves crashing
Under the stars
Malibu nights
Listen to the waves, can you feel the waves right now?
Can you feel it?
Listen to the waves, they got so much to say right now
Crash
Crash into me, I need you tonight
Crash

Crash into me, I need you tonight
I need you tonight, I want you tonight
So bring that lil body over here
Come let daddy whisper in your ear
I'ma tell you what you wanna hear
Rub my fingers through your hair
Put your legs up in the air like
Put them legs up in the air like
Taking off your underwear like
Like Malibu nights
