

# You Were Never Broken

[Jann Arden](#)

Leave them all behind  
Everyone that hurt you  
Leave them on the road  
Let them get run over  
Nobody can stop you  
You were never broken  
You were only hoping it would end  
Keep your body well  
Drink in lots of water  
Always look ahead  
Don't you wait for nothin'  
Nobody can stop you  
You were never broken  
You were only hopin' for a friend  
All they want is for you to fail  
You wont be defeated  
Just stand on that mountain  
You look down at the valley  
Every step you've taken  
Nobody can stop you  
You were never broken  
You were always holding out for this
