i got you hornier than a extacy pill girrrl

i got you wetter than my fuckin water billl girl

workin that pussy like a buildin workin drill girrrl

no wonder why jack and jill went up the hill girrrl

your pussy tighter than the rim on a wheel girrrl

we can do it in the car or do it in da house

we can do it on the bed or do it on the couch

i can put it in youre\_\_\_\_\_ or put it in youre mouth

every time i prop your legs up you scream out loud

[Chorus] 2x

level 1 : is all about kissin and huggin

level 2: is all about freakin and rubben

level 3:»¿ somebody getting down one they knees

level 4: one word baby fucktivities

do you like it like this

or do you like it like that

do you like it from the front

or do you like it from the back

we can do it in da shower for 30 minutes to an hour

your clothes fallin off like rose petals on a flower  
fuckin like them horny ass people on a flick  
and if this was a flick  
i'd name this bitch moby dick  
or the lone ranger AKA the pussy banger  
she never had sex so she's a booty hoe stranger  
this aint the circus but i am the lion tamer  
the tiger trainer the acrobat dingalinger  
are you feeling what im feeling  
'cause girl im ready and willing  
we done fucked eeverywhere but the mother fucking ceiling  
the inner of your legs shaking  
your back aching  
your heart pacing  
and the fucking bed breakin  
now whats.... my... name... girl...  
ooo im cummin

[chorus] 2x

level 1 : is all about kissin and huggin  
level 2: is all about freakin and rubben  
level 3: somebody getting down one they knees  
level 4: one word baby fucktivities

look boo when im working that ass in  
you gonna need a glass of water and some asprin  
dont wanna mess the moment up so i unplug the phone  
i can tell it feels good by the way you moan  
ride me like a motorcycle  
ride me like a bike  
you can ride me like the metro-lakers long as you in the right  
as my dick grown as a pussy  
i be all in the pussy  
im a clumsy ass nigga  
flippin ball as some pussy  
somebody knockin at the door but i aint go check  
i made her sleep with the mop because i got her so wet  
she rubbin on my chest im suckin on her breast  
i hit the pussy harder she screaming out yes  
her eyes roll to the back of her head  
im about to cum is what she said  
well whats... my... name... girl... mmhmmm
