

# Bad boy for life

## P. Diddy & The Bad Boy Family

[Intro: P. Diddy]

Ay yo, you ready?

Let's do it

Mm, yeah

Yeah, c'mon[Verse 1: P. Diddy]

I'm the definition of "half man, half drugs"

Ask the clubs, Bad Boy, that's wussup

After bucks, crush crews after us

No games, we ain't laughing much

Nothing but big things, check the hitlist

How we twist shit, what changed but the name?

We still here, you rockin' with the best

Don't worry if I write rhymes, I write checks, ha!

Who's the boss? Dudes is lost

Don't think cause I'm iced out, I'mma cool off

Who else but me? And if you don't feel me

That mean you can't touch me, it's ugly, trust me

Get it right, dawg, we ain't ever left

We just moved in silence and repped to the death

It's official, I survive what I been through

Y'all got trauma, the saga continues[Hook]

We ain't goin' nowhere, we ain't goin' nowhere

We can't be stopped now, cos it's Bad Boy for life

We ain't goin' nowhere, we ain't goin' nowhere

We can't be stopped now, cos it's Bad Boy for life[Verse 2: Black Rob]

Hey yo straight from the Harlem streets

I don't play, I push it down with the Harlem Heat

All a sudden niggas got a problem wit me

They run around actin like the Black-o can't eat

And you know what? For some strange reason

I'm off of this medication, feeling deranged needing

For y'all to put the word out, we ain't leavin'

We trying to be rich before we all stop breathing

Therefore we kinda hustle lames

Stay laying down our muscle games

Still turn niggas dreams to flames, you got the wire

If not I ain't sayin no names; you'll soon expire

No pain, nothing, I feel remorse

Yes of course it's me and Diddy up first racing Porsches

With the big twin valve exhausts  
On the cover of your Vibe's, XXL's, and Source's[Hook]  
We ain't goin' nowhere, we ain't goin' nowhere  
We can't be stopped now, cos it's Bad Boy for life  
We ain't goin' nowhere, we ain't goin' nowhere  
We can't be stopped now, cos it's Bad Boy for life[Verse 3: Mark Curry]  
Yeah, yeah, yo, yeah  
It ain't shit changed, since the Notorious  
See everything still glorious  
We still got warriors, still be the victorious  
See it's a lot of them, but it's more of us  
Still got cash to blow, raps to flow  
Still them cats that know, pack yo' flow  
That's fo' sho', bottles that pop, joints that rock  
Played the background, hand on my jock, holdin' my Glock  
Money to get, cars to flip  
Bars to sit at and sip Cognac wit jewels that drip  
Hoes to see, make sure they knowin' it's me  
Drop that beat, can't believe that I MC  
Bad boy 'til the casket drop, gotta love it  
Place nothing above it, it's on like that  
Don't believe, we ain't gone like that  
We're always gonna be here  
We there every motherfucking year![Hook]  
We ain't goin' nowhere, we ain't goin' nowhere  
We can't be stopped now, cos it's Bad Boy for life  
We ain't goin' nowhere, we ain't goin' nowhere  
We can't be stopped now, cos it's Bad Boy for lifeWe ain't goin' nowhere, we ain't goin' nowhere  
We can't be stopped now, cos it's Bad Boy for life  
We ain't goin' nowhere, we ain't goin' nowhere  
We can't be stopped now, cos it's Bad Boy for life[Outro: P. Diddy]  
Bad boy.. we ain't goin' nowhere  
Uh-huh, uh-huh, what?  
We ain't goin nowhere  
We gon' stay right here  
For ever, and ever, and ever, and ever, c'mon  
We ain't goin nowhere, we gon' stay right here  
We ain't goin nowhere, we gon' stay right here  
Yeah, uh-huh, uh-huh, uh-huh  
Cause it's bad boy for life!
