speak

Son Lux

I shall have -what I decree.
Yes, I believe it belongs to me. [x2]

So, I'm going to speak into the atmosphere.
Speak into the atmosphere

I shall have -what I decree.
Yes, I believe it belongs to me. [x2]

So, I'm going to speak into the atmosphere.
Speak into the atmosphere

Speak into the atmosphere
Speak into the atmosphere

[Leader:] Whatever it is - Just speak it

Speak it [x8]
[Leader:] Open Up Your Mouth and [x3]
Declare it [x8]
It's Mine [x8]

[Leader:] Healing -Deliverance-It is mine -it is-say yeah
Yeah [x8]

[Leader:]
Do you Believe it-Do you receive it-You shall have it
You shall... have it.-You shall... You Shall

Speak [x7]

[Leader:]
Over your home -over your finances-over your health you shall... you shall...

Speak into the atmosphere
Speak into the atmosphere

I shall have -what I decree.
Yes, I believe it belongs to me.

So, I'm going to speak into the atmosphere.
Speak into the atmosphere
Speak into the atmosphere
