

The Urban Theme

Maxwell

Shhhhhh

It's on the hush, only you and I will know

It's on the hush, only you and I will know Shhhhhhhh

It's on the hush, only you and I will know

I'm not gonna tell yo' mamma

It's on the hush, only you and I will know

You can trust in me It's on the hush, only you and I will know

Hang a little while longer

It's on the hush, only you and I will know

I'm not gonna tell yo' daddy baby

It's on the hush, yeah

It's on the hush, only you and I will know

Hang a little while longer

It's on the hush, only you and I will know

Hang a little while longer

Don't go away baby, hang a while longer

If you don't mind, I know

If you don't mind, if you got the time, come on...(Spoken) Come on y'all, come on, what's up, get up, come on
If you know the words...

It's on the hush, only you and I will know

It's on the hush, only you and I will know

It's on the hush, only you and I will know

Keep hanging, (just don't stop my love)

It's on the hush, only you and I will know It's on the hush
