

Yet

Switchfoot

All attempts have failed
All my heads are tails
She's got teary eyes
I've got reasons why
I'm losing ground and gaining speed
I've lost myself or most of me
I'm headed for the final precipice
But you haven't lost me yet
No, you haven't lost me yet
I'll sing until my heart caves in
No, you haven't lost me yet, yet
These days pass me by
I dream with open eyes
Nightmares haunt my days
Visions blur my nights
I'm so confused
What's true of false
What's fact or fiction after all
I feel like I'm an apparition's pet
But you haven't lost me yet
No, you haven't lost me yet
I'll run until my heart caves in
No, you haven't lost me yet
If it doesn't break, if it doesn't break, if it doesn't break
If it doesn't break your heart, it isn't love
No, if it doesn't break your heart, it's not enough
It's when you're breaking down with your insides coming out
That's when you find out what your heart is made of
And you haven't lost me yet
No, you haven't lost me yet
I'll sing until my heart caves in
No, you haven't lost me yet
'Cause you haven't lost me yet
