

# Low Rider

## Kombo

All my friends know the low rider  
The low rider is a little higher

The low rider drives a little slower  
Low rider, is a real goer

Hey

Low rider knows every street, yeah  
Low rider, is the one to meet, yeah

Low rider don't use no gas now  
The low rider don't drive too fast

Take a little trip, take a little trip  
Take a little trip and see  
Take a little trip, take a little trip  
Take a little trip with me
