

# Move To The Other Side Of The Block

## The Rocket Summer

So we try and try all of our life working  
With such pride making cash just to survive  
As we race and grade and judge away other folks mistakes  
Makes us good to feel that way. And don't you know, it never  
Stops. Try to please the world and beat the ticking  
Clocks, but I, I'm not letting it happen this time. No no because if you don't fail, and reach your bail,  
I feel so secure when I'm in this jail, but I, I'm not letting it  
Happen this time So I'll move to the other side of the block  
So we won't ever have to stop making the rounds, having the laughs  
Singing the sounds of relaxing, and on the other side  
Of the clock the power switch will be off and all will be well and  
Time will stand still, and I will be locked out from my jail.
