

Soul Asylum

The Cult

Who would break a butterfly on a wheel?
Not me, my precious child
Sweet angel, wrap me in your velvet cloak, my dear
Love's a sweet warm Goddess I invited here
So many times I call your name, baby baby, please
So many times I call your name, yeah
Before the night is through grant me one last wish
Sweet soul asylum yeah, an everlasting kiss
Who would crush this woman underfoot?
Oh not me, my chosen one
(My chosen one)
Sweet angel, wrap me in your velvet cloak, my dear
Love's a sweet warm Goddess I invited here
So many times I call your name, oh please baby, yeah
So many times I call your name
Before the night is through grant me one last wish
Sweet soul asylum yeah, an everlasting kiss
Oh baby, yeah yeah yeah
Oh oh oh, takes me far away
So many times I call your name, oh baby baby, please
So many times I call your name
(Before the night is through)
Before the night is through
(Grant me one last wish)
Oh, grant me one last wish
Sweet soul asylum, an everlasting kiss
(Before the night is through, grant me one last wish)
Sweet soul asylum, an everlasting kiss
Sweet soul asylum, yeah oh, sweet soul asylum, yeah
Sweet soul, yeah, sweet soul asylum, oh
