

# He Can Handle It

Bebe & Cece Winans

I'M talking about X, Y, Z I'm talking about G-O-D  
He can (he can handle it) I realize where my help comes from,  
So my spirit won't succumb If he promised, he will do it  
Just believe, yeah yeah yeah Hey, heartaches, divorces Small or atrocious Are you sure  
Yes i'm sure  
He can handle it, handle it  
Nervous breakdowns, guns on the school ground  
Now are you sure  
Yes i'm sure  
He can handle it, handle it  
Oh yes he can (yeah \*4) Handle it (yeah 4\*) Handle it (yeah 4\*) Handle it (yeah 4\*) If you are looking for  
liberty False religion and philosophy I'm talking about a love that's pure and a destination sure He's the answer if  
you want it  
He's the cure Hey world hunger and oppression Disease and infection Are you sure  
Yes i'm sure  
He can handle it, handle it  
Those mid life crisis All other devices Now are you sure  
Yes i'm sure  
He can handle it handle it  
Oh yes he can (yeah 4\*)  
Yeah yeah yeah yeah Your held extensions (he can handle it) What you mean ideal inventions (he can handle  
it) Now are you sure (yes I'm sure)  
He can Handle, handle it. He can work it out, I can feel it working... working by himself yeah Wonder in my  
soul. BEBE AND CECE  
He's a wonder, he's a wonder, let him work it out, yeah  
(Yes I'm sure, handle it, handle it)  
Yeah, he can work it out...
