

# Butterfly

David Usher

You came apart on me last Sunday morning  
Choked and indicted by the truth  
And it's always tough when there's never enough  
Of the good things coming And there was never enough for you  
There was never enough for you Butterfly, where're you gone?  
I can't see you anymore  
My eyes are taken still too high  
Came down naked on you Butterfly, where're you gone?  
I can't feel you anymore  
I can't feel you anymore Got excited when I thought that we would last  
Twisted inside out 'til we were drowning  
And from the first attack we could never go back  
So we just keep on coming But I was never enough for you  
Was there ever enough for you? Butterfly, where're you gone?  
I can't feel you anymore  
My eyes are taken still too high  
Came down naked on you Butterfly, where're you gone?  
I can't feel you anymore  
I can't feel you anymore And if you think you're dying  
Baby, well, you know I felt the same  
'Cause we were only hoping  
Why's it always feel like  
Feel like, it feels like rain? Butterfly, where're you gone?  
I can't see you anymore  
My eyes are taken still too high  
Came down naked on you And butterfly, where're you gone?  
I can't feel you anymore  
I can't feel you anymore  
I can't feel you anymore  
I can't feel you anymore
