Before It Burns

Radio Moscow

I've been wander babe, that's about you
Get it all before its chock
I never want anyone but you
I hide this, did you know my ...get thrill
Thou you'll need my gate
They say in case he will
They say in case he will
Don't get me wrong
That's about you, don't trust in what they say
I give 'em away, I give 'em away
